SUMMERSET CITY NEWS

Volume VI, Issue X

October 2018

City News

Public Works

Astoria Drainage Improvements

The drainage improvements construction project will be starting in the next couple of weeks on Astoria Lane. This project will reduce traffic to one lane. Please remember to be cautious of construction workers and equipment.

Yard Waste/Cardboard Recycle Site

With the possibility of a snowy October the City has decided to provide the yard waste and cardboard containers until the end of the month. They will return this spring as soon as the snow is gone and everyone's yardwork is able to commence again.

Planning and Development Update:

Polaris of the Black Hills has broken ground on their new 18,000 square foot building that includes a showroom, shop and offices. The post frame building has started to go up and they are projecting to be open in November/December.

O'Reilly Auto Parts is putting the finishing touches on their new Summerset location and are planning on an October 10th grand opening.

Summerset Waste Water Treatment Plant filter and SBR cover project is completed. RCS Construction has a few minor items on the punch list to wrap up. This project will help to ensure that our plant is running at maximum efficiency and protecting the environment for generations to come.

Sun Valley Estates

The developer has presented an addition of the development at the end of Telluride Street. The plans have been submitted to the City and the review process is in the works.

Code Enforcement

Well, it's that time of year again... snow will be starting to fall any day. To ensure everyone is up to date on the Snow Removal Ordinance, I thought I would include a few of the main points of the ordinance that residents should be aware of.

Thank you for your continued cooperation.

18.01.04 NO PARKING ON SNOW ROUTES. No person may park or allow to remain parked any vehicle or trailer on any street designated as Emergency Snow Route or Secondary Snow Route during snowfall or prior to the time said

street is cleared of snow by the City. Vehicles or trailers parked on snow routes in violation of this section may be ticketed and/or towed at the owner's expense. Violations of this chapter shall be subject to the fine established by City Resolution.

18.01.05 DEPOSITING DEBRIS IN PUBLIC RIGHT OF WAY. It is unlawful for any person to shovel or deposit snow or ice, leaves, material or other substances of any kind and description from private property onto any public street, alley or public right-of-way. Such conduct or action is declared to be a nuisance.

18.02.01: PUBLIC NUISANCE Snow and ice permitted to gather and remain upon the sidewalks of this City is dangerous to the safety of its citizens and others using said sidewalks and is hereby declared a public nuisance. **18.02.02: REMOVAL BY OWNER** The owner or occupant of any building or any lot, parcel or plot of ground fronting or abutting on any sidewalk in the snow removal are hereinafter described, shall clear said sidewalk of snow or ice to the full width of the sidewalk within 24 hours after the same shall have fallen or formed. The Public Works Department of the City may waive this requirement in the event of an extended snowstorm.

Sincerely,

Code Enforcement Officer

Halloween Costume Contest!

Throughout October the Library is having a Literary Themed Halloween Costume Contest! Send us a picture of you in your literary themed costume and holding the book which was your inspiration for a chance to win one of our prize baskets. We will have different prizes for preschool age, middle and elementary school, high school, and adult categories. Also, don't forget to vote for your favorite on our Facebook page during the last week of October! One vote will be accepted per Facebook account or active library card account! See the Library staff for more information or to submit your entry!

Storytime

Don't Forget Our Preschool Storytime Every Thursday Morning @ 10 AM!

Serenity Signs

Our next featured artist is Melissa Seifert. A busy wife and mother of three, Melissa loves long walks, curling up with a good book, the outdoors, and animals . . . Melissa got her start with creating signs a year ago when she decided she needed a new decorative sign for the bathroom. She started off just making random signs for around the house, but the next thing she knew she had more signs than she needed. She now enjoys displaying her art for others.

The Bluestockings Book Club Title is...

**The Little Paris Bookshop
By Nina George**

Monsieur Perdu calls himself a literary apothecary. From his floating bookstore in a barge on the Seine, he prescribes novels for the hardships of life. Using his intuitive feel for the exact book a reader needs, Perdu mends broken hearts and souls. The only person he can't seem to heal through literature is himself; he's still haunted by heartbreak after his great love disappeared.

She left him with only a letter, which he has never opened.

After Perdu is finally tempted to read the letter, he hauls anchor and departs on a mission to the south of France, hoping to make peace with his loss and discover the end of the story. Joined by a bestselling but blocked author and a lovelorn Italian chef, Perdu travels along the country's rivers, dispensing his wisdom and his books, showing that the literary world can take the human

Divine Shepherd Lutheran Church & School

Fall Bazaar
