SUMMERSET CITY NEWS

Volume VIII, Issue II

February 2020

City News

The community needs you! Now is the time to get involved! No matter the reason, being a part of Summerset's commission is the be way to impact change in your community!

Circulation of petitions for our two commission seat vacancies and our mayoral position begins January 31st!

The two commission seats are for 3 year terms. The term for the mayor's position will be a one year term which is the completion of the previous mayor's term. Commission members and Mayor receive compensation and a monthly phone stipend. Meetings are every 1st & 3rd Thursdays of the month at 6:00 pm.

Petitions can be picked up at City Hall and the deadline for submission or to withdraw is February 28th at 5:00 pm. For more information stop by City Hall or call 718-9858.

The Giver

By Lois Lowry

The Giver, the 1994 Newbery Medal winner, has become one of the most influential novels of our time. The haunting story centers on twelve-year-old Jonas, who lives in a seemingly ideal, if colorless, world of conformity and contentment. Not until he is given his life assignment as the Receiver of Memory does he begin to understand the dark, complex secrets behind his fragile community. Lois Lowry has written three companion novels to The Giver, including Gathering Blue, Messenger, and Son.

The Discussion Meeting will be held on February 20th at 7 PM

Lights Out!

As a reminder, if you notice that a streetlight is out you can report it to City Hall at 718-9858 or on our website at summerset.us. Each light is numbered for easy identification and location so please take notice of which light you are reporting.

“Souped Up” Salt

The City of Summersets Public Works Department has started using a new type of road salt/sand to help keep intersections and streets as safe as possible. Regular rock salt is ineffective below 18 degrees. With the new treated rock salt, results can be seen as low as -35 degrees. Treated salt buffers the corrosive effects of rock salt by 80% less corrosive reducing damage to vehicles, equipment, and streets.
