

Summerset City News

June 2021

The month of June is bringing some new additions and changes to the City of Summerset. First, we are welcoming Lisa Schieffer, the City's new City Administrator. Lisa has been involved in government for 25+ years. We are excited to bring her knowledge, skills, and expertise to Summerset. Please join me in making her feel right at home here in Summerset.

Second, we are also looking for a few members to join our park committee to look to what we need in the future and assist in setting our annual park budget. If you are interested, please send an email of interest to cityinfo@summerset.us.

This past month, we have interviewed for the city administrator's position, met with multiple developers, both commercial and residential, and have worked on upcoming ordinances. We are looking forward to the future development of Summerset and working together to ensure that it is completed by following the state statues and city ordinances. I am encouraging citizens to attend the Commission meetings on the 1st and 3rd Thursday of the month, to read the agenda's, which are published the Wednesday prior to the Commission meeting, and to read the monthly newsletter. In addition to regular scheduled Commission meetings, we also have a public hearing on June 10th regarding marijuana ordinances. And don't forget about Summerfest on June 19th. I hope to see and hear from Summerset's citizens at these upcoming events.

-Mayor Torno

and everyone that helps make
this event possible!

Public Works

2021 City Wide cleanup- This year's City-Wide Cleanup was another huge success. There was over 30 tons of garbage hauled away and over 5 tons of metal recycled. Thank you to everyone who participated in helping keep the City beautiful! We look forward to seeing you next year!

The 2021 street repairs have been put out for bid to local contractors. We strive to keep the City's streets the best we can with preventative Maintenance and repairs. Mulberry Drive west, and Freedom Lane will be getting a complete re-surfacing to repair the settling areas, de laminating, and large cracks. Leisure lane will be re-sealed to help prolong the life of this heavily traveled street. While these construction projects may be an inconvenience for a little while, it will be nice to have new street surfacing. We will keep the residents informed as to when the construction will begin as the projects are set to be completed by fall. Thank you for your patience!

Yard waste- Please keep in mind that the Summerset yard waste areas are for SUMMERSET RESIDENTS ONLY. If the containers are full, please take your yard waste back home until the following day. Large pickup truck loads, and commercial yard waste needs to be hauled directly to the Rapid City landfill. **If you are caught dumping yard waste on the ground because the containers are full you will immediately be fined \$1500.** These containers are clearly labeled as to where the full line is. Please do not fill the containers over this line as it makes it extremely difficult to transport. Thank you for cooperation and efforts to ensure we can continue to offer this service.

4TH OF JULY BOOK SALE

Annual Friends of the Library Book Sale!!

The Annual 4th of July Book Sale Fundraiser will run 11 AM-4 PM on July 4th.
The sale will then resume during regular business hours until 1 PM on July 10th!
There will be a Silent Auction on July 4th only, but we will have bags of books for a
suggested \$5 a bag donation throughout the sale week.
Stop by to support this wonderful organization and get some great reading material!

*This would also be an excellent time to use those Free Bag of Books
coupons from your Friends Membership renewal!*
