A Letter from the Mayor

November is traditionally thought of as the month to reflect on all of the things we are thankful for and appreciate. I would like to take the opportunity to share some of things that I am thankful for as the mayor of Summerset. I am thankful for the opportunity to serve the citizens of Summerset with Commissioners Mike Kitzmiller, Kathlene Thurman, David Buter, and Clyde Hirsch, with whom I am grateful to share the passion and responsibility of making decisions for Summerset. I am thankful for the wonderful office staff, Lisa Schieffer, Candace Sealey, and Brielle Schrock, who provide great customer service, communicate with residents and developers, and ensure that the day to day operations are completed. I appreciate our Public Works Department, Tanner Fenenga, Anthony Kahl, and Drew Hunt, and their tireless efforts to keep our garbage containers empty, grass mowed, snow plowed, and helping whenever and wherever needed. I am thankful for our Waste Water Treatment Department, Jon Ambrose and Taylor Opstedahl, for the work they do to keep our toilets flushed and within state regulations. I am grateful for our Planning and Zoning Committee members, Brody Oldfield, Dustin Hirsch, Mike Martin, John Hough, and Casey Kenrick, and their hard work to recommend development platting, zoning, and expansion that is best for the city of Summerset. I am thankful to Police Chief Don Allen and fellow police officers, Rich Nasser, Brandy Palmer, Josh Buntain, Colton Juso, Casey Montileaux, and Halayna Ducheneaux, for protecting our community, engaging with our community, and ensuring Summerset's public safety. Lastly, I am grateful for the citizens of Summerset and the opportunity to serve you while moving Summerset in positive direction. I wish you and your family a season a thankfulness and a Happy Thanksgiving.

Summerset Police Department

It's the holiday season! This is a great time of year to spend with friends and family! This time of year typically means either you or your family will be doing some traveling. With that in mind, please remember to drive safely. As we know, South Dakota has rapidly changing weather. It doesn't take long for the roads to become slick. Remember to give yourself plenty of time, slow down and do not over drive the road conditions.

This month, I would like to highlight the statute listed below. Under 32-35-3, you can still be stopped and cited even though you may be going the speed limit. There are times when it is unsafe to drive the speed limit due to road conditions. Just because there is a sign that says 45mph, 55mph or 75mph, doesn't mean that's how fast you must go.

Let's all do our part ensure a safe and happy holiday season for everyone!

Also, don't forget about our **Cops and Kids program!** If you would like to make a donation, contact Officer Colton Juso or School Resource Officer Brandy Palmer at 605-721-6806 or come down to the Summerset Police Department at 7055 Leisure Ln.

Drive safe and have a happy holiday season!

Officer Buntain

It is a Class 2 misdemeanor for any person to drive a motor vehicle on a highway located in this state at a speed greater than is reasonable and prudent under the conditions then existing or at speeds in excess of those fixed by this chapter or provided by the Transportation Commission.
