Getting to Know You

*City
Administrator*

Lisa Schieffer

1. Where are you from? I grew up on a large ranch in eastern Butte County near Mud Butte SD. Then later moved into Newell SD to attend High School. I later lived in Spearfish a few years while attending BHSU. Currently, we live in Sturgis and are looking to purchase/build a home in Summerset.

2. What are your hobbies? I like to go for motorcycle rides, travel, garden/flowers, and we enjoy going to watch racing events – more so motorcycle racing since our family is invested professionally in the sport.

3. Are you married, kids, how many.? My husband's name is Patrick. We have three (3) sons Dylan, Drew, and Dawson. Dylan and Drew are both in the National Guard. Dylan is currently deployed at this time. Drew works for an energy company trading commodities and the youngest son Dawson is a certified pharmacy technician.

4. What are you the proudest of? I would have to say my children. Each one is unique in his own way and have done well for themselves.

Lisa Schieffer

5. What is something we would never guess about you?

Probably that I am a tomboy at heart. I like to be out on motorcycles. I have raced cars and have won a few powder puff demolition derbies.

6. What is the most courageous thing you have ever done? I

would have to say making a career change at a time in my life when most people are thinking and planning their retirement. I was previously an elected official and had worked there for over 28 years. I needed to find that spark again, of having value, and serving the public. I have been with the City of Summerset a little over nine (9) months and it has been a great fit and a true sense of teamwork between the departments/board. I have learned you are never too old to make a career change and often refer to the quote "Courage isn't having the strength to move on – it is moving on when you don't have the strength."

7. What is your favorite movie or TV show right now? I am really into Yellowstone, but of course who isn't. For movies, I like action/adventure, but my favorite movie came out in 2004 called "Man on Fire".

Summerset Police Department

The sun is out, and the temperature is rising in Summerset. With the nice weather, our kids are out and about more. Please ensure your children know the following safety tips for when they are out.

- Make sure to look both ways before crossing the road.
- Watch out for large vehicles that are turning, they may not see you.
- Do not play around vehicles and be cautious if playing around parked vehicles.
- When crossing the street, put your cell phones down.
- If you are walking at night, make sure you are visible to drivers.

Drivers make sure you are extra cautious when driving through neighborhoods.

- Stay alert! Children are the most unpredictable pedestrians and the most difficult to see.
- Drive the posted speed limit or below.
- Put cell phones and other distractions away while driving.

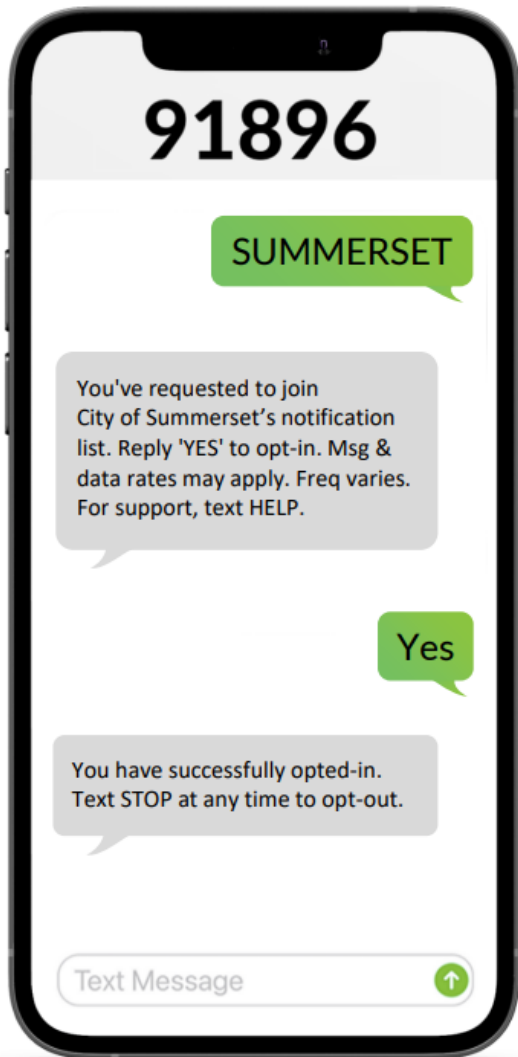

Officer Colton Juso
