Public WORKS

Wastewater Treatment Plant: Our WWTP Supervisor, Jonathan Ambrose, would like to remind all residents to dispose of any grease or oil, from cooking, in their trash. Putting grease down the drain can cause various issues with your sewer system, as well as the City system.

Yard Waste Containers: As mentioned in last month's Newsletter, yard waste containers will be pulled November 1st, 2024. Please have all yard waste deposited in the containers by then. After this date you will need to take yard waste to the Rapid City Landfill. Yard waste is not permitted in trash totes, and will NOT be collected if present.

November 27, 2024 - All Summerset areas will have garbage picked up on Wednesday, November 27nd.

Trash totes need to be at the curb by 7:00 am. They should be placed at the back of the curb, three feet clearance from each other, and all other obstructions, including vehicles. Garbage will not be picked up if obstructed.
