The owner or occupant of any building or any lot, parcel or plot of ground fronting or abutting on any sidewalk in the snow removal as hereinafter described, shall clear said sidewalk of snow or ice to the full width of the sidewalk within 24 hours after the same shall have fallen or formed. The Public Works Department of the city may waive this requirement in the event of an extended snowstorm.

Public WORKS

Wastewater Treatment Plant: Our WWTP Supervisor, Jonathan Ambrose, would like to remind all residents to dispose of any grease or oil, from cooking, in their trash. Putting grease down the drain can cause various issues with your sewer system, as well as the City system.

Yard Waste Containers: Public Works does not have a firm date for the yard waste bin to be removed. There will be a 7 day notice sent out via Facebook, and the digital signboard. As a reminder, yard waste is not permitted in your trash totes and will NOT be collected if present.

November 26, 2025 - All Summerset areas will have garbage picked up on Wednesday, November 26th.

Trash totes need to be at the curb by 7:00 am. They should be placed at the back of the curb, three feet clearance from each other, and all other obstructions, including vehicles. Garbage will not be picked up if obstructed.
